mgmt@pr.elektrospank.com

Stage & Venue

- Indoor venues: all ambient and external light must be blocked from the stage area.
- Guaranteed unrestricted access to stage and dressing room from load-in until post-show.
- Soundcheck: minimum 45 minutes before doors open.
- Atmospheric staging: candles or artificial candles on DJ booth or stage are strongly recommended.

Sound System

- Professional PA system.
- System must include in-fills, out-fills, and sub coverage appropriate to the room.
- Full frequency range reproduction required: minimum 40 Hz – 20 kHz, clean and undistorted.
- Minimum 2 monitors at DJ booth with independent level control (floor monitors are strongly recommended).

DJ Setup (all equipment must be in full working order)

- 2× Pioneer CDJ-3000 or CDJ-2000NXS2 — USB-ready, networked, channels 2 & 3 preferred.
- Acceptable alternative: Pioneer CDJ-900NXS — confirm with artist in advance.
- CDJs must be rack-mounted or placed on booth surface. No separate CDJ stands.
- 1× Pioneer DJM-900NXS2, DJM-V10, or DJM-A9. Comparable 4-channel DJ mixer acceptable.
- Stereo passive DI box (balanced XLR out) to be provided by venue if unbalanced inputs only.

Lighting & Visuals

- Stage lighting: low-intensity and atmospheric. No bright white wash on artist during performance.
- Strobe lights — Martin Atomic preferred (comparable professional strobe acceptable).
- Fog or haze machine: high-output unit required. Heavy atmospheric haze is essential.
- Colour palette: deep reds, violets, cold blues. Warm whites and yellows must be avoided.
- Background projection screen recommended — artist can provide footage or Resolume Arena project.
- AV routing and screen setup must be discussed at least 7 days before the event.
- No house lights during set. Lighting operator: slow, dark, atmospheric cues only.

Backstage

- Dressing room.
- 4× still water 0.5 L and 2× Red Bull. Light snacks preferred.
- Wi-Fi access — password to be provided at arrival.
- Full production schedule, venue address, load-in time, and local contact: no later than 5 days before.

Additional Notes

- All technical requirements are non-negotiable unless explicitly agreed otherwise in advance.
- Promoter must notify artist of any deviations from this rider no later than 7 days before the event.
- Artist reserves the right to cancel the performance if minimum technical or safety conditions are not met.
- Transport and accommodation will be discussed directly at time of booking.
